Dear Ms. Lacourse:

This letter is to inform you that the copy of the Consumer Confidence Report (CCR) for your community water system has been reviewed. The Florida Department of Health in Lee County has no objection to the format, or the content of the report and you may finalize this report for distribution to your customers.

Each existing Community Water System (CWS) must mail or otherwise directly deliver one copy of its CCR to each billing customer by July 1, 2022, and subsequent reports by July 1 annually thereafter.

All CWSs must complete and submit the Certification of Delivery of Consumer Confidence Report form to the Florida Department of Health in Lee County annually by August 10.

Thank you for your cooperation. Please contact Allen Lim at (239) 274-2294 with any questions you may have.

Sincerely,

A handwritten signature in blue ink, appearing to read "Ian C. Lyngse".
