Law enforcement works best when it partners with the public. By working with our deputy and Narcotic Unit, you can help us to fight drug abuse. There are a couple of ways to let us know either directly or anonymously.

You can report drug activity through Southwest Florida Crime Stoppers at 1-800-780-TIPS (8477), submit a tip online or download the P3Tips mobile app. You will remain anonymous and if your tips lead to an arrest, you can be eligible for a cash reward.

You also can call the primary Sheriff's Office phone number at 239-477-1000 to speak to a call taker and have a deputy respond or call the Narcotics Unit tip line at 239-258-3802. Callers should give as much information as possible about the drug activity, including detailed descriptions of people and cars involved, license tag numbers of involved vehicles and addresses related to the activity.

We The People are the only ones who can deter drugs in our park. When we are united for a common and specific outcome, we can achieve any endeavor. Research through Crime Stoppers has been very successful when communities come together for a common cause.

1. **YOU CAN REMAIN ANONYMOUS WHEN CALLING CRIME STOPPERS.**
2. **If your call leads to the arrest and conviction of the person arrested, YOU COULD GET AS MUCH AS \$1000 REWARD.**

Be vigilant, observe your surroundings, always be aware of your own actions. Lock your doors, keep your vehicles locked and don't leave any valuables, cash, and credit cards in your vehicles. If you see unusual activity at a residence, report it to the non-emergency Sheriff's number. Take pictures and always write down plate numbers. Remember physical descriptions of people and cars. We have successfully closed down two drug houses—one at 105 Lantern Ln and another at 169 Lantern Ln

**ONLY WORKING TOGETHER CAN WE GET THE DRUG DEALERS OUT OF OUR PARK**
